

CASE STUDY

Arnot Mall

LED INTERIOR LIGHTING

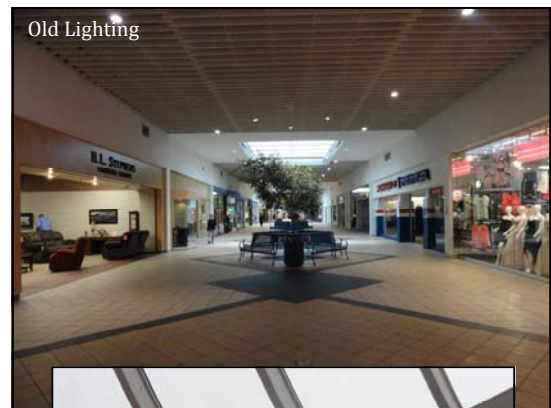

Existing Conditions

20+ Year old interior lighting system in shopping mall corridors, courts, common areas and food court. Many light fixtures non-operational with obsolete track lighting system. High energy and maintenance costs.

New Conditions

New LED lighting throughout common areas—track, mono-point, down lighting, cove lighting and office lighting. 70% energy savings with increased illuminance, cleaner appearance and increased customer comfort. 5 year equipment warranty. No lighting maintenance for many years to come!

SAVINGS & REBATES

Annual kWh Savings: 511,188

kW Savings: 99.62

Annual Dollar Savings: \$64,401

Utility Rebates: \$77,501
